A Sussex Beekeepers' Association event

www.sussexbee.org.uk

Sussex Beekeepers' Association Bee Market

Learn all about the fascinating world of bees!

To create their delicious product, bees operate one of the most complex yet slickest production techniques in the whole of nature.

Enter their wonderful world to see how these fascinating insects pollinate our crops and provide us with fine pure honey and beeswax. This is a great day out for adults and

children alike, with auctions of bees and equipment, bee-handling demonstrations, a special bee workshop for children and expert lectures.

Free parking, hot and cold food on sale along with plants, honey and trade stands with great ideas for your garden. Entry is just £1 per person. Bring the family!

Where to find us on Saturday 21 May
